

Dear Parent,

Thank you for your booking classes at Ennis Gymnastics Club, Unit 1G, Ballymaley Industrial Park, Gort Rd., Ennis, Co Clare.

The link below gives details for Term Fees and Classes/Hols for the calendar year.

WHAT TO WEAR

Please ensure your child wears comfortable attire: Leggings, T-Shirt, Leotards, Shorts are ideal. Long hair should be tied up. We have an option kit that you can order from our online shop.

MEET THE TEAM

Our Staff do change from term to term but we would like to introduce you to all the staff on our team: <https://www.ennisgymnasticsclub.com/about/meet-our-team/>

PICK UPS & DROP OFFS

Must be swift – a very quick drop and go. Please drop Gymnasts at the first door in reception. As per our child protection policy no adults are allowed in our changing or bathroom area without permission. You may not accompany your child into the changing room area. Gymnasts are to be dropped off no more than 5 mins before class, as we cannot be responsible for gymnasts dropped early. We understand that family lives are very busy – if you need to drop off early this must be agreed in writing with Management. Please note that this cannot be on a regular basis, we are not in a position to do this. Late pick-ups also not permitted, particularly at the end of the evening. If you will be late please text 086 2726662. Continual lateness will result in a late fee fine applied to your child's account.

Please be advised that all gymnasts are to be collected by a parent from INSIDE the facility. We do not permit children to leave the premises unaccompanied by an adult unless you complete the EGC Walker Permission form through link below:

<https://ennisgymnasticsclub.com/ennis-gymnastics-walker-permission-form/>

All classes are drop and go with the exception of GymABLE and Parent & Child sessions. We have years of experience in coaching and know that the best response from children of all ages is received when parents do not stay to watch so for this reason we have a drop & go policy, please do not be offended if we ask you to head off, you'll be surprised how even the shyest child opens up in class with gymnastics equipment around! PLEASE DO NOT DISTRACT YOUR CHILD FROM CLASS AT THE WINDOW. Parents will have the chance to come and watch their children do their gymnastics in both December and June.

MEMBERSHIP/INSURANCE

Our Annual Membership/insurance for the Year is €50 (1st September to 31st August). The personal accident part of this fee is now optional. If you wish to waiver your cover for personal accident, the waiver in below link must be completed. Once completed we will refund you the €10 or offset €10 from your fees out of the original €50 Annual membership/insurance that you paid. <https://www.ennisgymnasticsclub.com/ennis-gymnastics-club-waiver/>

CHECK OUT OUR NEW CERTIFICATE PROGRAMME/VIDEOS!

Parents regularly asked about the skills their child is working on/towards, or they may wish to practise at home. We have launched a page which allows parents to download the skill charts and we have also added video demonstrations of each skill that is required to pass each cert:- <https://www.ennisgymnasticsclub.com/skill-breakdown-certificate-programme/>

Please also familiarise yourself with our [Waiver](#), [Terms and Conditions](#), [Privacy Policy](#) and [Child Welfare and Protection Policies](#).
